Hobbies

Summary

Creative and passionate graphic designer with a bachelor's degree in graphic design. More than twelve years of experiences in computer graphic, 3d animations, and visual art and have a solid understanding of modeling, texturing, lighting, rendering in 3d graphics with Autodesk 3ds Max and excellent knowledge of 2d graphic with Adobe creative suite especially Photoshop.

Have passed courses and got certificates related to 3d graphic design and easy to learn new software as needed. Relocated to Denmark in Feb 2015 with the ability to use Danish and English in the intermediate level and ready to get a full-time job.
